

Advanced Lesson 6: Ministry Planning & Vision

Effective ministry requires more than good intentions — it needs Spirit-led planning and God-centered vision. This lesson equips leaders to seek God's direction, cast clear vision, and plan strategically for impact. Key scriptures include Habakkuk 2:2–3, Proverbs 16:3, and Luke 14:28–30. Students will learn how vision drives purpose and how to align their plans with God's mission.
